TO: Filing Receipt Corrections
U.S. Patent Office

RE: U.S. Application Serial No. 10/714,314
Filed November 14, 2003 - Andrew R. Rolfe
"Use of Public Switched Telephone Network for
Capturing Electronic Signatures in on Transactions"
Atty Docket: AUT-P-0021 US (8423-90907)

FROM: Paul M. Vargo/

Number of Pages Attached: 5 - Including this transmittal sheet

When filing the above application, the Transmittal incorrectly stated that the Assignee was Honeywell International, Inc. Both the PTO-1595 Form and the Assignment (enclosed) correctly identify the Assignee as Authentify, Inc. A copy of the Filing Receipt showing the correction is enclosed.

Correction of the Filing Receipt is requested.

Assignment

Serial No.: 10/714,314

Filed: November 14, 2003

FOR good and valuable consideration, the receipt of which is hereby acknowledged, the entire right, title and interest in the invention or improvements of the undersigned in Use of Public Switched Telephone Network for Capturing Electronic Signatures in On-Line Transactions and in the application for Letters Patent of the United States therefor, having a serial number and a filing date stated above, and in any continuation, division, reissue or extension of any Letters Patent that may be granted upon said application are hereby assigned by the undersigned to AUTHENTIFY, INC., a Delaware Corporation and the heirs, successors, legal representatives and assigns of Authentify, Inc. (hereinafter collectively called said Assignee), and the Commissioner of Patents and Trademarks is hereby authorized and requested by the undersigned to issue said Letters Patent to said Assignee.

For said consideration it is hereby agreed by the undersigned, upon the request of said Assignee, to execute any necessary and proper oaths or affidavits relating to said application or required for the filing or prosecution of any divisional or continuing application thereof or for the filing or prosecution of any application for the reissue or extension of any Letters Patent that may be granted on said invention or improvements that said Assignee may deem necessary or expedient, and for the said consideration it is further agreed by the undersigned, upon the request of said Assignee, in the event of said application or any division thereof, or Letters Patent issued thereon, or any reissue or application for the reissue thereof, becoming involved in Interference, to cooperate to the best of the ability of the undersigned with said Assignee in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof, and further to perform, upon such request, any and all affirmative acts to obtain said Letters Patent and vest all rights therein hereby conveyed in the said Assignee as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment and sale had not been made. And for the said consideration the entire right, title and interest in said invention or improvements, including all priority rights, and the right to claim priority rights and the privileges and benefits thereof, including those under the International Convention, and all other Conventions, and the right to file applications for patent in said Assignee's own name for said invention or improvements in each and every country of the world are hereby assigned and granted by the undersigned to said Assignee. It is further agreed by the undersigned, upon the request of said Assignee, to execute any and all documents that shall be required of the undersigned to be executed in connection with any and all applications for foreign Letters Patent therefor, including the prosecution thereof, and to execute any and all documents necessary to invest title in said foreign applications and patents in said Assignee. The undersigned also further agrees, for the said consideration, upon the request of said Assignee, to promptly perform all lawful acts deemed by said Assignee to be necessary or

advisable in connection with maintaining, enforcing, or transferring the resulting grants of said Letters Patent in the United States or foreign countries. It is agreed that such lawful acts include, but are not limited to, taking oaths, executing declarations, powers, assignments and other papers and giving testimony. The attorneys of record in such application for patent are hereby authorized and requested by the undersigned to insert in this Assignment the date and serial number thereof in the places provided therefor.
